

WWU SOFTBALL PRESIDENTS DAY CLINIC

February 20th (Ages 8-18)

The Western Washington University softball team will host its annual President's Day Clinic on February 20th of 2012.

Players of all ages are invited to participate and learn from current WWU players and coaching staff, in what should be considered one of the most comprehensive clinics available. For more information please visit Viking softball at www.wwuvikings.com.

Overview:

Campers will receive a large group instruction on hitting and then will proceed to smaller groups for individual drills and training. This session will include speed development and base running. During the defensive portion, you will be asked to pick two defensive positions out of the following five (Catchers, Pitchers, Corner Infield, Middle Infield, and Outfield).

Players will be grouped with like positions and skill levels to maximize your experience. Camp will run from 10-4 with a break for lunch, players will need to provide their own sack lunches.
