The first Border Fore Tournament held September 28th, 2001 raised over \$20,000 for the University of Wyoming Track Athletes Memorial Fund. Eight cross-country student athletes lost their lives in a tragic car accident that year. The families of the athletes and the University of Wyoming were grateful for all the support from this tournament.

All proceeds from this year's tournament and silent auction will go directly to the CSU Assistant Volleyball Coach, Andy Klussmann and his family through the Janna Klussmann Memorial Fund.

The Klussmann family was involved in a tragic car accident June 20th in Cheyenne. Janna Klussmann lost her life and Andy suffered severe injuries. Andy is currently a patient at Craig Hospital in Denver. The Klussmann's two small children were not injured in the accident.
