### MEDIA POLICIES

**Press Passes:** Media credentials for Xavier women's basketball games at the Cintas Center should be requested in writing via fax or email to Assistant Sports Information Director Pat McKenna. Requests should be made one week prior to the game and will be confirmed via e-mail. Credentials will be left at the press entrance of Cintas Center which is located in the loading dock area on the north side of the building.

**At the game:** Pregame notes and halftime stats will be available on press row and in the Cintas Center Media Room. The final box, play-by-play, game notes and other materials will be available in the media room. Phone lines are also available in the media room.

**Radio coverage:** Radio stations covering opposing teams should contact the SID two weeks prior to the game in question to make arrangements for the broadcast.

**Postgame:** The Xavier locker room is closed following games. Head Coach Kevin McGuff will be available in the Cintas Center Media Room after a cooling down period following the game. Requested individual players will also be available in the media room.

On the road, Xavier will follow the policies of the host institution. Additional interview requests should once again be made through the SID.

**Practice:** Xavier players and coaches are typically available at practice. However, due to other commitments and varying practice schedules, it is recommended that you check with the SID first.

**Interviews:** Interviews should be arranged through the SID.

Cole and Schmaltz on the call

Mike Schmaltz

Trevor Cole

Mike Schmaltz (left) and Trevor Cole broadcast all of Xavier's home games via **GOXAVIER.com**. Both have been on the job for four years. As he did last year, Cole is slated to do all of Xavier's road games so Musketeer fans will be able to follow every XU game this season. Trevor is the husband of XU assistant coach Kristin Cole.
