2006-07 Season Preview

Xavier will boast one of the best and most experienced backcourts in the Atlantic 10 with the return of seniors Suntana Granderson, Miranda Green and Michele Miller, and recently inked the most highly-touted recruiting class in school history.

The core group of returnees is led by Granderson, who was second on the team last season at 14.9 points per game and scored over 20 points on seven occasions. A 2006 All-Atlantic 10 First Team selection, Granderson currently sits in fourth place on XU's all-time 3-point field goals made list with 193 and eclipsed the 1,000-point plateau last year.

Joining Granderson in the backcourt will be starting point guard Miranda Green. Green averaged 9.4 points per game and led the squad with 104 assists (3.5 assists per game). Green has been the Musketeers' starting point guard for 88 consecutive games. Green enters the season with 829 career points and is poised to become the 20th member of XU's 1,000-point club.

Rounding out the Xavier starting backcourt will be Cincinnati-native Michele Miller. Miller started in all 30 games during the 2005-06 campaign and scored in double-figures 13 times. Miller finished third on the team in scoring at 9.6 points per game and was also third in rebounding with 5.8 boards per game.

Also returning for the Musketeers will be sophomore Jerri Taylor and senior Deanna Mason. Joining XU's five returnees will be senior transfer Joei Clyburn and six freshmen that make up the recruiting class ranked 10th in the country by Scout.com. The most highly touted of the group is Indianapolis-native Amber Harris.

Harris is rated as the No. 1 overall recruit by the "Blue Star Index" and the No. 5 overall recruit by the "All-Star Girls Report". Harris is joined by Amy Johns, Aleisia Barringer, Moe Hester, Der-ryka Martin and Bionca McCall.
