## SEC FOOTBALL VIDEO REPLAY

### THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

### THE COACHES' CHALLENGE

Each head coach is allowed one Instant Replay challenge per game, which is exercised by requesting a team timeout. A head coach may issue a challenge only if his team has one or more timeouts remaining in the half. If the challenged ruling is overturned, the timeout is not charged, but the coach has no more challenges during that game.

### THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game (CBS Sports, ESPN, ESPN2, Lincoln Financial) or other TV production facilities that meet established conference standards. The Southeastern Conference, following approval by the NCAA Football Rules Committee, will implement the use of video replay on an experimental basis beginning with the 2005 football season.

### THE PROCESS

Each SEC football stadium has a secured replay booth equipped with a DVSPORT Digital Replay System. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official is selected and assigned by the Conference Office.

A live video feed is sent directly to the replay booth. The Technician watches the feed on an input monitor while capturing/digitizing it into the DVSPORT Digital Replay System. The Technician also marks the beginning of each play as well as any replays as they occur in real time.

Each play and subsequent replay then appears on a touch screen in front of the Communicator. As the Technician marks the incoming video, each view (by mark) will appear as a small picture on the computer touch screen. At any time, the Communicator can touch/click on a thumbnail and immediately send that play/replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a remote device controlled by the Replay Official. All replays/video are viewed on an output monitor. The touch screen is only used to select the replays.

While most plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

### THE EQUIPMENT

Each SEC member institution uses the Digital Replay System developed by DVSPORT of Pittsburgh, Pa. The replay systems are maintained by the home institution with technical support from DVSPORT.

**2007 SEC FOOTBALL CHAMPIONSHIP GAME**

The SEC's Eastern and Western Division winners will meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the Bowl Championship Series. The 16th-annual title game is set for December 1 and will be nationally televised by CBS Sports at 4:00 p.m. ET.

The game is a result of conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 1994 SEC Championship Game earned a 10.5 rating and a 26 share, the highest rated SEC Championship Game in history.

The SEC Championship Game has also drawn capacity crowds in its history. 1,120,836 fans have witnessed first-hand the pageantry of SEC Football at the 15 previous Championship Games.

Attendance at the 15 previous championship games has been 102.3 percent of stadium capacity, including 13 sellouts.

**CREDENTIALING NOW ONLINE FOR SEC FOOTBALL CHAMPIONSHIP GAME**

Members of the media can apply for media credentials online for the 2007 Southeastern Conference Football Championship Game at [www.secsportsmedia.com](http://www.secsportsmedia.com).

## 2007 SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

**TWO-TEAM TIE.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
- Records of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

**THREE-TEAM TIE (OR MORE).** If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head to head record among the tied teams;
- Record of the tied teams within the division;
- Head to head competition against the team within the division with the best overall Conference record (divisional and non divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non divisional teams;
- Combined record against all common non divisional teams;
- Record against the common non divisional team with the best overall Conference record (divisional and non divisional) and proceeding through other common non divisional teams based on their order of finish within their division; and
- The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

## SOUTHEASTERN CONFERENCE BOWLS

### NINE SEC TEAMS ALREADY BOWL ELIGIBLE

Nine Southeastern Conference teams have already earned the six-win benchmark to be eligible for post-season play in 2007. Two other teams have five wins and need one more win to reach the six-win total.

The most bowl-eligible teams for the SEC in its history in one season was nine, which was during the 2000, 2001 and 2006 seasons. In eight other seasons, the SEC has had eight bowl-eligible teams, the latest coming in 2002.

While six wins is the basic eligibility to participate in post-season bowl games, NCAA rules state that a "deserving winning team" be eligible for bowl-season play.

The SEC has agreements to send eight of its teams to post-season bowls.

NCAA Rule 30.9.2 states, "A contest (bowl game) shall be licensed only if it serves the purpose of providing a national contest between deserving winning teams. A "deserving winning team" shall be defined as wone that has won a minimum of six games against football bowl subdivision opponents and that has more wins than losses."

Exceptions to NCAA Rule 30.9.2 exist. Those are:

"An institution with a record of six wins and six losses may be selected for participation in a bowl game under the following circumstances:

(a) The institution or its conference has a primary contractual affiliation, which existed prior to the first contest of the applicable season, with the sponsoring bowl organization. In the case of a conference contractual affiliation, all conference teams with winning records must be placed in one of the contracted bowl games before any institution with a record of six wins and six losses may be placed in a contracted bowl game. There shall be no contingency agreements with other sponsoring bowl organizations intended to enable an institution with a record of six wins and six losses to become eligible for those contests; or

(b) All contractual affiliations per Bylaw 30.9.2.1-(a) have been fulfilled and all institutions with winning records

30.9.2.2 Exception—Football Bowl Subdivision Opponent. [FBS] Each year, a football bowl subdivision institution may count one victory against a football championship subdivision opponent toward the six-win minimum, provided the opponent has averaged 90 percent of the permissible maximum number of grants-in-aid per year in football over a rolling two-year period.

30.9.2.2.1 Waiver. [FBS] The Football Issues Committee may approve a waiver of the 90 percent requirement to permit a football bowl subdivision institution to count a victory against a football championship subdivision opponent in football toward meeting the six-victory requirement when a unique or catastrophic situation affects the Division I-AA institution's ability to average 90 percent of the permissible maximum number of grants-in-aid per year in Division I-AA football over a rolling two-year period.

### SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send eight of its member institutions to postseason bowl games following the 2007 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One (2nd), will then make its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The Outback, Chick-fil-A and AT&T Cotton Bowls will work with the conference office to determine picks 3-5. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference. The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls.

In selections 6-7, the AutoZone Liberty and Gaylord Hotels Music City Bowls will make their selections, not in any specific order, but in consultation with the SEC Office. The Bowls will rank available qualified teams in order of preference. If there are no similarities in the order of selection, the bowls will be granted its selection. If the bowls rank the same teams in preference, the team involved in the process would get its preference of which bowl to participate.

The PetroSun Independence Bowl will receive the eighth selection of available SEC teams.

### 2008 BOWL CHAMPIONSHIP SERIES SCHEDULE

Following the 2007 college football regular season, the Bowl Championship Series will determine the National Championship. The BCS National Championship Game, which will stand alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS consists of the FedEx Orange, Allstate Sugar, Rose presented by Citi, Tostitos Fiesta Bowl and the Allstate BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

FOX Sports will televise all of the Bowl Championship Series games, with the exception of the Rose Bowl, which will be televised by ABC Sports.

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

At the conclusion of the 2007 regular season, the Allstate BCS National Championship Game will be hosted in New Orleans on Jan. 7 at 8 p.m. EST. The Allstate BCS National Championship Game will have the top two teams ranked in the BCS final regular season standings.

The BCS uses regional consideration regarding team selection. Specifically, as a member of the BCS, the Rose Bowl will host the Big Ten and Pac-10 champions in those years in which either the Rose Bowl does not have the national championship game or the Big Ten and Pac-10 champion is not ranked No. 1 or No. 2. Other "regional consideration" tie-ins include the SEC champion in the Sugar Bowl, the ACC champion in the Orange Bowl and the Big 12 champion in the Fiesta Bowl.

Other BCS games following the 2007 regular season include the Rose Bowl on Jan. 1 at 4:30 p.m. EST, Sugar Bowl on Jan. 1 at 8:30 p.m. EST, Fiesta Bowl on Jan. 1 at 8:30 p.m. EST, and the Orange Bowl on Jan. 3 at 8 p.m. ET.

### SEC DIVISIONAL RACE SCENARIOS

Five of the six teams in the Eastern Division are mathematically alive for the SEC Championship Game berth.

Tennessee is the team in the Eastern Division that controls its own destiny. If the Vols win out, they will be in the SEC Championship Game on Dec. 1 in Atlanta.

Possibilities exist of a four-way tie at 5-3 and a five or six way tie at 4-4.

The only team in the Eastern Division that cannot make the championship game is Vanderbilt. The 'Dores are 2-4 and the best it could be is 4-4. It would then lose tie-breakers in the five or six way tie at 4-4.

In the Western Division, three SEC teams remain mathematically alive for the SEC Championship Game berth - LSU, Alabama and Auburn.

LSU is the team in the Western Division that controls its own destiny. The Tigers only need to win one of its two remaining SEC games to make the SEC Championship Game.

The Tigers would win a two or three-way tie at 6-2 and would win a four-way tie at 5-3 (including either Miss. State or Arkansas).

While the Eastern Division race could come down to the last weekend of the regular season, an LSU win against Ole Miss on Nov. 17 would clinch the Western Division bid for the Tigers.

**STATE OF THE SEC**

**THIS WEEK IN SEC FOOTBALL HISTORY**

As the Southeastern Conference celebrates its 75th anniversary, here is a look at some of the highlights during the upcoming game dates in its history:

**Nov. 10**

**1956** -- In the first-ever meeting of two SEC teams ranked in the AP top three, #3 Tennessee defeats #2 Georgia Tech, 6-0, in Atlanta. The Vols go on to a 10-1 season and an SEC title.

Kentucky defeats Vanderbilt, 7-6, in Lexington. The Wildcats finish the season, 6-4, while the Commodores finish, 5-5.

**1962** -- Ole Miss defeats Chattanooga, 52-7, in Oxford. The Rebels finish the season 10-0 as SEC and National Champions. The Rebels give up just 40 points in 10 games.

**1979** -- #1-ranked Alabama goes to Baton Rouge and defeats LSU, 3-0. It's the lowest point total scored by the Tide all year as Alabama claims the SEC title as well as the AP & UPI National Championship.

Tennessee defeats #13 Notre Dame, 40-18 in Knoxville. Hubert Simpson rushed for 117 yards and scored a school-record four TDs.

**2001** -- #24 Auburn goes to Athens and defeats #19 Georgia, 24-17. It marked the fifth straight time that the Tigers had gone into Sanford Stadium and won. The Tigers would not win another game the rest of the year and finished 7-5. Georgia would finish 8-4 in Mark Richt's first season as head coach.
