SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

A new rule expands the ability of a head coach to challenge a reviewable play on the field. The head coach now retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game (CBS Sports, ESPN, ESPN2, Lincoln Financial) or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Reviewable

1. Plays governed by Sideline, Goal Line, End Zone, and End Line:
 - a. Scoring Plays, including a runner breaking the plane of the goal line
 - b. Pass complete/incomplete/intercepted at sideline, goal and endlines
 - c. Runner/receiver in or out of bounds
 - d. Recovery of loose ball in and out of bounds
2. Passing Plays:
 - a. Pass ruled complete/ incomplete/ intercepted in the field of play and end zones
 - b. Touching of a forward pass by an ineligible receiver
 - c. Touching of a forward pass by a defensive player
 - d. Quarterback (Passer) forward pass or fumble (if ruled incomplete, play is finalized)
 - e. Illegal forward pass or illegal handing off beyond the line of scrimmage
 - f. Illegal forward pass or illegal handing off after change of possession
 - g. Forward or backward pass thrown from behind the line of scrimmage
 - h. Quarterback (Passer) starts arm forward, ball comes loss and play is ruled incomplete (if ball is quickly recovered)
 - i. Quarterback (Passer) throws incomplete swing pass that is close to being forward or backward, and pass is ruled forward (if ball is quickly recovered)
3. Other Detectable Infractions:
 - a. Runner ruled not down.
 - b. Runner ruled down (when ball carrier is judged down by rule and the ball is fumbled, play may be reviewed if recovery of ball occurs in the immediate action following fumble and is prior to any official signaling ball is dead. Also reviewable when runner is ruled out of bounds near goal line.)
 - c. Forward progress with respect to first down
 - d. Touching of a kick
 - e. Number of players on field
 - f. Clock adjustments (in conjunction with overturned plays)

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with a DVSPORT Digital Replay System. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official is selected and assigned by the Conference Office.

A live video feed is sent directly to the replay booth. The Technician watches the feed on an input monitor while capturing/digitizing it into the DVSPORT Digital Replay System. The Technician also marks the beginning of each play as well as any replays as they occur in real time.

Each play and subsequent replay then appears on a touch screen in front of the Communicator. As the Technician marks the incoming video, each view (by mark) will appear as a small picture on the computer touch screen. At any time, the Communicator can touch/click on a thumbnail and immediately send that play/replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a remote device controlled by the Replay Official. All replays/video are viewed on an output monitor. The touch screen is only used to select the replays.

While most plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

THE EQUIPMENT

Each SEC member institution uses the Digital Replay System developed by DVSPORT of Pittsburgh, Pa. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2009 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One (2nd), will then make its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The Outback, Chick-fil-A and AT&T Cotton Bowls will work with the conference office to determine picks 3-5. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference. The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls.

In selections 6-7, the AutoZone Liberty and Gaylord Hotels Music City Bowls will make their selections, not in any specific order, but in consultation with the SEC Office. The Bowls will rank available qualified teams in order of preference. If there are no similarities in the order of selection, the bowls will be granted its selection. If the bowls rank the same teams in preference, the team involved in the process would get its preference of which bowl to participate.

The PetroSun Independence Bowl will receive the eighth selection and the Papajohns.com Bowl will have the ninth pick of available SEC teams.

BOWL CHAMPIONSHIP SERIES

The Bowl Championships Series is a five-game arrangement for post-season college football that is designed to match the two top-rated teams in a national championship game and to create exciting and competitive match-ups among eight other highly regarded teams in four other games.

The five bowl games are the Tostitos Fiesta Bowl, the FedEx Orange Bowl, the Rose Bowl Game presented by Citi, the Allstate Sugar Bowl and the BCS National Championship Game that is played at one of the bowl sites. The 2010 Citi BCS National Championship Game will be played in the Rose Bowl in Pasadena, Calif.

Unless a Southeastern Conference champion qualifies to play in the BCS National Championship Game, it will play in the Allstate Sugar Bowl.

Fox Sports will televise the Tostitos Fiesta Bowl, FedEx Orange Bowl and the Allstate Sugar Bowl at the conclusion of the 2009 regular season. ESPN/ABC will televise the Rose Bowl presented by Citi and the Citi BCS National Championship Game.

In the 11 previous years of the BCS, the Southeastern Conference holds a 12-5 mark in BCS games (.706) - the most wins of any other conference and the highest winning percentage of any conference participating in more than two BCS games.

In BCS National Championship Games, the SEC is 5-0 (1.000) and has more BCS titles than any other conference. The SEC has won BCS crowns in 1998 (Tennessee), 2003 (LSU), 2006 (Florida), 2007 (LSU) and 2008 (Florida).

In the history of the BCS, an SEC team has been in the BCS standings 328 times, second only to the Big 12 with 331. The SEC and the ACC have had 11 of its 12 teams ranked in the BCS standings at some point since 1998 - more than any other conference.

THIS IS THE SOUTHEASTERN CONFERENCE

2008-09 ANOTHER BANNER ATHLETIC YEAR FOR THE SEC

The SEC claimed five national championships in the 2008-09 year, tying it with the total from the 2007-08 season.

In 10 of its 20 sponsored sports, the SEC had either the national champion or the national runners-up.

The SEC had national championships in football (Florida), men's swimming & diving (Auburn), women's indoor track & field (Tennessee), gymnastics (Georgia) and baseball (LSU). The SEC also had national runners-up finishes in men's golf (Arkansas), gymnastics (Alabama), softball (Florida), women's swimming & diving (Georgia) and men's indoor track & field (Florida).

In its 76 year history, the Southeastern Conference has won 179 team national championships, including 63 since 2000. In this decade, the SEC has won at least one national championship in 16 of its 20 sponsored sports with the exception of women's cross country, volleyball, soccer and softball.

SEC LEADS ALL CONFERENCES IN 2008-09 MEN'S SPORTS CONFERENCE VS. CONFERENCE SURVEY; 2nd in WOMEN'S SPORTS

In a statistical survey that is based on NCAA championship and rankings, the Southeastern Conference placed first in the nine men's sports it sponsors and second in the 11 women's sports the league sponsors.

The survey, compiled each year since 1986 by Bo Carter, takes into account final NCAA championship standings in each sport and poll rankings in football. Each conference gets 20 points for a team that wins a national championship, 19 for a second place finish and down to 1 point for a 20th place finish.

In the nine men's sports the SEC sponsors, the SEC had 440.5 points with the Pac-10 coming in second with 375 points, followed by the Big 12 with 337.5 points, ACC with 214 points, Big East 102.5 points and the Big Ten with 80 points.

In the 11 women's sports the SEC sponsors, the Pac-10 was first with 615 points followed by the SEC with 431 points, the Big 12 with 337 points, Big Ten with 318.5 points, ACC with 277.5 points and the Big East with 161.5 points.

Combining the 20 sponsored sports, the Pac-10 had 990 points followed by the SEC with 806 points, Big 12 with 674.5 points, ACC with 491.5 points, Big Ten with 398.5 points and the Big East with 264 points.

The SEC has had the highest men's point total in 15 of the last 17 seasons (exceptions: 2007-08; Big 12; 1997-98; Pac-10). The Pac-10 has had the highest women's point totals each year since 1986 with the exception of four years the SEC has had the highest total (1990-91; 1995-96; 2004-05; 2006-07).

SEC LEADS DIVISION I CONFERENCES IN MOST ESPN THE MAGAZINE CoSIDA ACADEMIC ALL-AMERICANS

The Southeastern Conference had 41 of its student-athletes each ESPN The Magazine Academic All-America Team mention, the most of any Division I conference in the nation.

The Academic All-America Program is administered and voted on by the College Sports Information Directors of America (CoSIDA).

The SEC had 15 student-athletes earn first-team mention, 14 earn second-team and 12 earn third-team mention.

The Big 12 was second with 38 total student athletes listed while the Big Ten was third at 34 and the ACC fourth at 26. The Big Ten led all conferences in first-team honorees with 18, followed by the SEC's 15.

Each SEC institution had at least one student-athlete earn first, second or third-team mention. Florida led the SEC with seven student-athletes on the lists while Tennessee had six, South Carolina and Arkansas had five each. Alabama, Florida and Tennessee each led the SEC with three on the various first-team lists.

Florida's Stacey Nelson (softball) and Tim Tebow (football) were named Academic All-Americans of the Year in their respective sports.

SEC LAUNCHES ACADEMIC NETWORK TO PROMOTE 12 MEMBER INSTITUTIONS

The 12 institutions of the Southeastern Conference institutions have joined together in the launch of the SEC Academic Network, a website (www.secacademicnetwork.com) designed to promote the academic programs of SEC universities. The SEC Academic Network is being established by the SEC in partnership with ESPN and the member universities.

The Academic Network, developed using technology and coordination from ESPN Digital Media and Origin Digital, will feature content from every institution ranging from research, innovation and economic development to community partnerships, civic engagement and service.

"Our commitment to highlight the accomplishments of SEC member institution's academic programs was a key component of our new television agreements," said SEC Commissioner Mike Slive. "We are grateful to ESPN for providing the technology, expertise and tools they use in sports media to our institutions in support of academic pursuits."

Each institution has its own page on the website that includes videos categorized by topic. Alumni, fans and students worldwide will have the ability to learn more about SEC academics in one place through video features that are posted by the league institutions.

The Academic Network is a component of the SEC's 15-year television package with ESPN, which is the most comprehensive in the history of intercollegiate athletics. Also part of ESPN's commitment to SEC academic programs is the production of an annual Campus Connection telecast at each SEC institution, in which students take part in the production; telecasts of two programs annually dedicated to the academic accomplishments of SEC student-athletes; a weekly academic feature segment on ESPN's SEC show; and selection of one undergraduate student from every SEC institution to participate in ESPN's summer internship program.

SEC SPORTSMANSHIP STATEMENT

• The SEC has developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting. For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program. It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

It's the first time since 11/1/08 at ULM that Troy allowed an opening possession touchdown, a span of 14 games. Boris Lee leads the team with 74 tackles. Brandon Lang leads the team with 6.5 sacks, as well as TFLs with 8.5. Lee is third in total tackles with 51. Bryan Willis patrols the secondary with a team-leading three interceptions.

He is also first in the SEC in passing yards per game (275.2). Broderick Green is tied for third in the SEC with nine touchdowns this season. Seven of Green's eight rushing touchdowns have come in his last five games and he has rushed for two touchdowns in three games this season, including each of the last two. Against South Carolina, D.J. Williams had a career-high 137 yards on seven receptions, marking the seventh 100-yard receiving effort by a Razorback in a game this season.
