Navigation:

Below you will see a screenshot of your home screen identifying the features you will use.

1: this button will always take you back to your home screen (shown above)

2: here you can view any messages that you have receive through OnCourse (these messages also go to your OSU email)

3: choosing this will take you to a view of your calendar where you can view your upcoming appointments and classes

4: There tabs allow you to:

- See your class information (pictured above)
- View progress reports submitted by your professors
- View your calendar
- Send a message to your professors for the current term

5: You will choose the “request tutor” or “schedule a tutor” buttons next to the course you wish to schedule for in order to sign up for SASSO tutoring services

*the blue “schedule academic support and tutoring” button is to schedule advising or tutoring outside of SASSO

Calendar:

The calendar will show you scheduled/canceled appointments as well as classes and general events
