As the 2011 season is quickly approaching, I am very honored and thrilled to be entering my first season. There is a tremendous amount of pride and passion to be able to lead these female student athletes on and off the field. It is my goal to prepare the student athletes for all of the experiences ahead of them in lacrosse and in life by infusing them with confidence and self belief in a positive learning environment.

In an effort to provide our student athletes with these memorable experiences, I would like to invite you to be a member of the Crease Connection club. With membership, you become a true member of the Buckeye Women's Lacrosse Family. By becoming a member of the Crease Connection, you will be supporting and providing the student athletes with access to the latest training methods, technological advances, team leadership consultant and a host of other areas to stay ahead of our opponents.

The goal is to maintain a first rate experience for the student athletes and attract top notch recruits to this incredible university. Benefits include monthly E-Newsletters, Weekly Buckeye Blogs and bimonthly updates on the teams progress from myself. Any contribution you are willing to make is greatly appreciated and is essential to the Women's Lacrosse team to compete at the highest level in the country.

Thank you for your energy and support of the Buckeye Women's Lacrosse family!
