## DEAR FRIENDS OF BUCKEYE ROWING,

Fifteen years of women's rowing! And what a decade and a half it's been; eleven trips to the NCAA Championships (ten consecutive), two Big Ten championships, five Central Region championships, and three top four national team finishes. Individually the numbers are even more amazing. 38 All-Big Ten and 38 All-Region selections, 21 CRCA All-America awards (10 First Team), and one Olympian have all graced the rosters of Ohio State rowing. On the academic side, 494 OSU Scholar Athlete awards, 139 Academic All-Big Ten honorees and 23 National Scholar Athlete selections fill our current and alumni ranks. The success and excellence created by the student athletes who have come through our program is something in which we take immense pride.

The future holds much excitement for Ohio State Rowing as well. November's groundbreaking on the \$5.2 million boathouse marked a historic day for our program. Finally, after a decade of planning, a facility befitting the excellence of women's rowing is becoming a reality. The thrill of seeing the construction progress as we row by the site daily is difficult to express. We are eagerly counting down the days to next December's opening.

In conjunction with the construction of our facility, we are pleased to announce the initiation of our booster organization the "Bow Ball Club" - Out front in support of Buckeye Rowing. It is our hope that annual giving to this organization will financially enhance the women's rowing program. Our initial membership dollars will be used towards making our new home the spectacular reflection of the tradition and history which is Buckeye rowing.

One of the few items not covered by the construction budget is a graphics package for the building. This will be the major mechanism through which we will honor, in photos and banners, our history and tradition. The building provides for two outstanding areas to do this: a two story gallery that runs down the middle of the main hall, and our 1100 sq foot team room. The estimated cost for graphics in these two spaces is \$40,000. It is our hope that with the generous support of our alumni, current and former parents, and friends of the program that we can meet this goal.

We hope you will join us in founding the "Bow Ball Club". Contributions of any denomination will be greatly appreciated. We thank you for your support and generosity.

Go Bucks!!

Sincerely,

*Andy Teitelbaum*
