EXTRAORDINARY EXPERIENCES

The 2013-14 Ohio State softball team is hard at work in pursuit of its goal of being a perennial conference and nation power. This year's team mixes veteran experience (seven seniors) with talented underclassmen (seven freshmen or sophomores). I believe this program is moving in the right direction and our ultimate goal is to produce a team that parents, fans, alumni and members of the softball community will be proud of for the way it competes and represents Ohio State.

This year, we have challenged ourselves with one of the most competitive schedules in the country. In all, we will play at least 16 games against teams that qualified for last year's NCAA Tournament, including eight against squads that advanced to the Women's College World Series. Additionally, we will play 15 games against teams either ranked or receiving votes in the NFCA/USA Today Preseason Top 25 poll.

Like any great team, we need the contributions of many to achieve our goals. That's why I invite you to join the **BUCKEYE SOFTBALL CLUB**. Your participation provides funds directly to our program while also helping to increase attendance. Quite simply, it puts us in a position to give our softball student-athletes the very best experience, both in the classroom and on the field. Your gifts will support a variety of areas, including:

- Stadium improvements
- All-American wall
- Locker room upgrades
- Alumni recognition & events
- Student-athlete well-being and experiences

We are blessed to play in top-notch facilities at one of the elite universities in the country. Our players and coaches are on a mission towards a Big Ten title and College World Series appearance, and I hope I can count on your support along the way. It will make a difference today, tomorrow and well into the future.

Thank you and **GO BUCKS!**
