BUCKEYE BASELINE CLUB

It's an exciting time for Ohio State Women's Tennis. We would love to have you become part of it by joining the **Buckeye Baseline Club**. To find out how your contributions and involvement in the club can benefit the growth of Ohio State Women's Tennis, whether you are a past member or a prospective new member, consider joining today. Thank you for taking the time to read about the **Buckeye Baseline Club**.

The Ohio State Tennis teams compete at the Varsity Tennis Center. The facility gives our teams the opportunity to train and compete in a state of the art tennis center. Just completed this fall will be our newly renovated 10 court Outdoor Tennis Complex. This will take the Ohio State Tennis teams to the next level and allow our programs to attract student athletes from around the world. There are still many projects left to be done to make our facilities the best they can be. Your generous donations can help make these projects possible. Our current goal is to raise funds so we can stream matches live on the OSU website. This is where your contributions to the **Buckeye Baseline Club** can help!

The 2010-2011 women's team finished 15-11 overall and tied for 3rd place in the Big Ten Conference (7-3). The team finished the season ranked 57th nationally. Student athlete, Kelsey Haviland, a junior, received the honor of being voted as a member on the second team All Big Ten.

Your membership to the **Buckeye Baseline Club** will give you the inside track on the women's team through our e-newsletters as well as invitations to various functions throughout the year. You will also receive an invitation to our year-end banquet in the spring. We hope to see you at the home matches and hopefully at some away matches as well! Club member attendance this past year was outstanding!

Thank you for your support. We look forward to seeing you at the Varsity Tennis Center and/or our NEW Outdoor Tennis Complex this year.
