**Coaching Staff**

**JOHN KENNADAY**
Head Coach

John Kennaday was appointed the San Jose State University men’s golf coach in April 2005. His hire marked a return to his alma mater where he was a 1987 All-American as a senior. Kennaday has patiently and systematically enhanced the Spartans’ program. In his first season, San Jose State finished no lower than fifth in three of the team’s last four tournaments and had a school-best third place finish at the 2006 WAC Championship. In 2007-08, the Spartans had three more top-five finishes. Freshman **Stephan Stallworth** was a second team All-WAC choice for 2006-07 and **Aaron Conrad** and **Jon Tringale** received academic All-WAC honors for the second year in a row. Last season, the Spartans set a school record for low 54-hole team score with a 21-under par 843 at the Kauai Collegiate Invitational and won the Pat Hicks Thunderbird Classic in St. George, Utah. Sophomore **Mark Hubbard** was a first-team All-WAC selection for San Jose State in 2008-09.

He returned to San Jose State after spending six seasons as the head coach for the Santa Clara University men’s golf team. The once dormant program became competitive in the West Coast Conference and along the West Coast. In 2001, he was named the conference “Coach of the Year.”

An adept fundraiser, he has managed and directed the Spartans’ “Fun Raiser” for men’s golf. The event has attracted Spartan alums and PGA Tour winners Ken Venturi, Roger Maltbie, Mark Wiebe and Arron Oberholser for a day of instruction and goodwill.

Besides his San Jose State duties, he is the personal coach for Oberholser, a two-time Spartan All-American, winner of the 2006 AT&T Pebble Beach Pro-Am and one who was ranked among the top-50 ranked players in the world on the PGA Tour in 2006 and 2007.

Kennaday was a two-time Coast Conference “Most Valuable Player” at Monterey Peninsula College before transferring to San Jose State. He was a 1986 and 1987 first-team All-Pacific Coast Athletic Association pick. Kennaday helped the Spartans to a 12th place tie at the 1987 NCAA Championships.

He went on to play professionally on the Canadian PGA, NIKE and Golden State Tours for 7.5 years. Kennaday set the course records at Rancho Canada West in Carmel, Calif., with a 64 and at Spring Valley Golf Course in Milpitas, Calif., with an 11-under par 61.

His teaching career began in Milpitas where he served as a teaching pro at the Mark Dorack’s Complete Golf School. He also was an assistant pro at the Spring Valley Golf Course.

John and his wife, Christina, have two sons, Jack and Benjamin.

The Western Intercollegiate

The Western Intercollegiate, hosted by San Jose State, has flourished since its inception as the Northern California Intercollegiates in 1947 and is in its 64th year in 2010.

Early on, area junior colleges, business colleges and four-year schools comprised the early fields. The 50's brought inevitable growth until a gigantic field of 35 teams and 210 golfers descended upon Pasatiempo in 1962.

The Western became a prestigious invitation with a limit of 25 teams beginning in 1968. Since then, the strength of the field has grown to where teams from Hawaii to Duke venture to the Alister MacKenzie-designed course.

These championships have served as a springboard to the PGA Tour. The late-Bob Rosburg, Ken Venturi, Johnny Miller, Ron Cerrudo, John Lotz, Dave Stockton, Al Geiberger, Tom Watson, Roger Maltbie, Peter Jacobsen, Bobby Clampett, Mark O'Meara, Duffy Waldorf, Tiger Woods and Arron Oberholser have gone after the Western Intercollegiate championship during their college days.

The 50th Western Intercollegiate, held in 1996, became the first nationally-televised in-season collegiate tournament — emphasizing the longest-running tournament west of the Mississippi River. In a stunning manner, Arron Oberholser of San Jose State overtook Tiger Woods of Stanford on the final four holes for the individual title.

Team Rosters (1995-2009)

San Jose State University
Founded in 1857, San Jose State is the oldest public institution of higher education on the West Coast. Its distinctive character has been forged by its long history, location, and vision - a blend of the old and the new, the traditional and the innovative.

There is an uncompromising commitment to offer access to higher education to all who meet the criteria for admission, yielding a stimulating mix of age groups, cultures and economic backgrounds for teaching, learning and research.

Located in the center of San José, the University offers 134 bachelor’s and master’s degrees and the excitement of a large, metropolitan campus where many cultures meet. Yet, students get personal attention in the setting of the university’s seven colleges.

Known for the high quality of its academic programs, its excellent faculty and its diverse and committed student body, San Jose State successfully educates students to compete in today’s complex, high tech and global economy.

San Jose State is annually ranked among the top-10 masters-level public universities in the West by U.S. News & World Report’s survey of “America’s Best Colleges.”

San Jose State is the number-one supplier of education, engineering, computer science and business graduates to Silicon Valley, the world’s largest high tech capital. One of the largest universities in the 23-campus California State University (CSU) system, SJSU attracts students from throughout the United States and 100 countries of the world.

More than 130 bachelor’s and master’s degree programs.

Annually ranked among the top-ten masters-level public universities in the West, by U.S. News & World Report's survey of “America's Best Colleges.”
Located in the Koret Athletic Training Center, the Jeff Garcia Hall of Champions and San Jose State Sports Hall of Fame features more than 300 former players and coaches.

Jeff Garcia played from 1991-93 and earned honorable mention All-America selection in 1992. He is in his 16th season of professional football in 2009.

San Jose State is the number-one supplier of education, engineering, computer science and business graduates to Silicon Valley, the world's high-tech capital.
