1. Which of the following triggers transfer status?
   A. Officially registered and enrolled in a minimum, full-time program of studies
   B. Reported for a regular squad practice prior to beginning of semester or quarter
   C. Received institutional financial aid while attending summer term
   D. Any of the above

2. A student who attended only summer school classes at an institution is considered a transfer.
   A. True
   B. False

3. The general rule is that a student who transfers to a Division I institution must serve a year in residence upon transfer, regardless of the sport.
   A. True
   B. False

4. A transfer may use a summer term to complete his/her year in residence.
   A. True
   B. False

5. Which of the following are conditions for use of the one-time transfer exception?
   A. The student is in good academic standing and meets progress toward degree requirements.
   B. The institution the student is transferring from does not object to the use of the exception.
   C. The student did not compete the previous academic year before transferring.
   D. Both A & B

6. A student who transfers from a four-year institution that dropped his/her sport may be immediately eligible to compete upon transfer.
   A. True
   B. False

7. A student who transfers from a four-year institution is eligible for institutional athletically related financial aid upon transfer only if he/she would have been academically eligible to compete if he/she had remained at the previous institution.
   A. True
   B. False

8. A student who transfers from a four-year institution may also be immediately eligible for practice and competition if they fit into which of the following categories?
   A. The student is returning to his/her original institution and did not participate in CARA (countable athletically related activities) beyond a 14-day period or compete at the second institution.
   B. The student has not participated for a consecutive two-year period at the previous institution.
   C. Either A or B
   D. Neither A nor B
9. A 4-2-4 transfer is immediately eligible to practice and compete regardless of whether or not he/she earns an AA degree from the two-year college.
   A. True
   B. False

10. To be eligible for athletics aid at SJSU during the first year of enrollment, a 4-2-4 transfer must have attended the two-year institution for how long?
   A. At least one academic term
   B. At least one academic year
   C. At least 14 days
   D. There is no attendance requirement

11. A two-year transfer who was a qualifier out of high school is eligible for competition in the first academic year in residence if which of the following conditions is met?
   A. The student spent at least one full-time semester or quarter in residence at the two-year institution
   B. The student is transferring with at least a 2.00 GPA
   C. The student satisfactorily completed an average of at least 12 semester or quarter hours of transferable degree credit for each full-time academic term of attendance at the two-year institution
   D. All of the above

12. If a transfer student has attended multiple two-year institutions he/she must complete at least 40% of the credit hours used to fulfill the academic degree requirements at the two-year institution that awards the AA degree.
   A. True
   B. False

13. Which of the following is NOT required for a two-year transfer who was a nonqualifier out of high school to be eligible for institutional financial aid, practice and competition during his/her first academic year in residence?
   A. Graduated from the two-year college
   B. Completed satisfactorily a minimum of 48 semester or 72 quarter hours of transferable degree credit
   C. Attended the two-year college as a full-time student for at least four semesters or six quarters
   D. Achieved a cumulative GPA of at least 2.00

14. A two-year transfer (initially enrolling at any institution full-time on/after 8/1/2009) who was a nonqualifier out of high school must transfer how many hours of degree credit in English and Math to SJSU in order to be eligible for aid, practice and competition upon enrollment?
   A. 6 hours of English and 3 hours of Math
   B. 3 hours of English and 6 hours of Math
   C. 3 hours of English and 3 hours of Math
   D. 6 hours of English and 6 hours of Math

15. A two-year transfer may earn as many transferable degree credit hours as they want during summer terms at the two-year institution.
   A. True
   B. False
16. What is the maximum number of semester hours a transfer student from a two-year institution may earn during the summer term immediately prior to transferring to SJSU?
   A. 12
   B. 6
   C. 9
   D. 3

17. A two-year transfer, who was recruited by SJSU, may practice but not compete or receive institutional athletics financial aid for a period of how many days prior to SJSU receiving and certifying the student’s official academic record?
   A. 21
   B. 14
   C. 45
   D. 30

18. A two-year transfer who was a nonqualifier may transfer to SJSU to complete coursework for his/her AA and still be immediately eligible to compete.
   A. True
   B. False
